OUR MEMORIES OF '81

WILL LAST A LIFETIME

CHS GETS NEW PRINCIPAL

For the first time since 1883 when Linda Snyder accepted the position, Columbiana High School has a woman principal. Miss Martha Halliday of Westlake, Ohio, was appointed by the school board. She comes from the North Ridgeville School system where she was responsible for student discipline, staff evaluation, curriculum development, and grant applications. She received a bachelor's degree in music education in 1971 from Wittenberg University and earned her Masters in Education and secondary administration from Cleveland State.

She was known as a tough disciplinarian in the past. The students in Columbiana have realized this through the changes she has made in the High School. Along with more strict discipline actions, Miss Halliday has initiated more school activities for the students. She has organized an "Anything Goes" contest between the classes and other similar activities to generate more school spirit.

When the news was announced last August that Columbiana High School was getting a lady principal, we all thought the school year would be a big change. A change where the students would have it easy, since the principal was new and not accustomed to our way of learning and having fun. But the results, for some, were not as hoped. She took control on the very first day. She used her authority to set limits while she changed the outlook of some of us towards our school. The seniors wish to thank Miss Halliday for her innovations which made our senior year so memorable.

NEW FACES AT CHS

Foreign Exchange Students: Carmen, Nela, and Margie.

Three new faces have appeared in the halls of Columbiana High School. These three are Carmelita, Nela, and Margaret, all Rotary Exchange Students.

Chihuahua, Mexico is the home of Carmelita Gutierrez, which has a city population of 1,000,000 citizens. Carmen notes many differences in Columbiana compared to her home city and school. Teenage activities are "almost the same" except she and her friends participate in many more group activities rather than boy and girl dating or small group situations. They mostly center around the country club in her city where they swim and dance. She also feels school subjects here are much easier than in her all-girl Catholic School. There, she must take 10 to 12 required subjects. Carmen likes the food and snow in Columbiana. She also liked to roller skate, attend football and basketball games, and being a wrestling hostess. Before coming to America, Carmen felt English was very important. Now, however, the most important thing is enjoying her new friends and the rest of her stay in Columbiana.

Marianela Ulate, commonly known as Nela is also from an all Catholic school. She is from Gre-

cia, Costa Rico where group activities and uniforms were the custom or tradition. Nela, with very fluent english, states like Carmen and Margie that the schools in America are "Much easier" than her country. Nela was an attraction on the basketball court this year. She says that she's been playing since she was in seventh grade in her home country. She also attended football and volleyball games with pleasure.

When asked her reasons for coming to America, Nela states, "I came here to have fun and go everywhere and to learn different customs."

Margaret Sullivan, better known as "Margie" is a native of Launceston, Tasmania, Australia. There, she attended an all-girl Catholic School. While here, she played the role Donna in the school musical. She enjoys attending parties, meeting new people, and traveling. Her favorite school subject is English. Snow appeals to her greatly in the States because there is none in her home country. Margie will attend a university to study law upon returning home. She has been a pleasant addition to the 1981 class of Columbiana High School.

Facing the possible elimination of football due to the inability to pass a needed school levy, this year's team stood up and faced their challenges. When August 19 rolled around, Columbiana chalked up their first victory of the season—the levy passed. Although the Clipper season featured a few less glorious moments, many valuable lessons were learned from the 3-7 season.

Eleven seniors donned the red and white for their final season of football. They were: captains Rick Berdine, Scott Knox, and Tim Sheerer; along with Jim Douglas, Matt Rubish, Tom Oliver, Ty Avola, Ken Crowl, Pat Bell, Jamie Bertolette, and Brian Sifferlin.

Under the direction of first-year head coach Lowell Bacon, the Clippers started the year with a disappointing 27-14 loss to arch-rival East Palestine. The Clips snagged their first victory in a 15-14 come-from-behind win over Lisbon. Leetonia dealt the red and white a 15-16 defeat, but a 27-0 victory over Jackson-Milton evened the Clipper ledger at 2-2. Just as things appeared to be running smoothly, a three-defeat skid halted the Clipper fortunes. A 26-21 heartbreaking loss to Western Reserve, a narrow 12-10 defeat at Springfield, and a 2-10 Homecoming loss to South Range put the season record at 2-5. Lowellville fell prey to a powerful offensive outing by the the Clips in a 16-14 win. Two disheartening defeats, 34-0 versus Mineral Ridge and 43-16 to Inter-County League Champ McDonald, concluded the season at 3-7.

Two offensive records were set this year. Columbiana amassed a total of 2604 yards to establish a single season total yardage record. Twenty-one first downs versus Lowellville set a new single game record.

This year's reserve team finished with an 0-5-2 record. The squad showed steady improvement from game to game. The JV team was coached by Varsity assistant's Bill Bailey and Bob Pietras.

Despite losing records by both the Varsity and Reserve teams, the Clipper footballers had a very rewarding time. Aside from football, the team also enjoyed a meal before each game. These meals were funded by the player's mothers, and appreciated by the entire team.

Another one bites the apple.

This year's golf team finished not only with a fine regular season record of 14 - 4 but also with a first at Sectionals, second at Districts, and a sixth place at the State Competiton at the Ohio State Scarlet Course in Columbus.

Pam Ossoff, the only senior on the team and second girl ever to play on the CHS golf team, finished the regular season with an average of 40.7. Junior, Rick Ross, finished with a 46.4 average; sophomores, Mike Wright and Mike Bogdan, finished with 41.5 and 41.7 averages respectively, freshman, Mike Ross, added greatly to the team finishing with a 41.9 average. Other members of this year's team included sophomores, Matt Evans and Paul Miner, and freshmen Creighton Hoover and Richard Schwartz.

Coach Richard Berryman and his team had quite a good showing this year. The next few years seem to look good for this young team.

Congratulations on a fine season!

RESERVE VOLLEYBALL IMPROVED STEADILY

The reserve volleyball team ended with a 8-9 record for the season and an impressive 6-4 record in the league. Highlighting the season was a shutout game against league foe South Range along with a victory over Western Reserve stopping a four- year loss to the Blue Devils. The reserves also were able to pull through 3 out of 4 three-game matches.

This year's team steadily improved throughout the season. Their experience will be valuable toward next year.

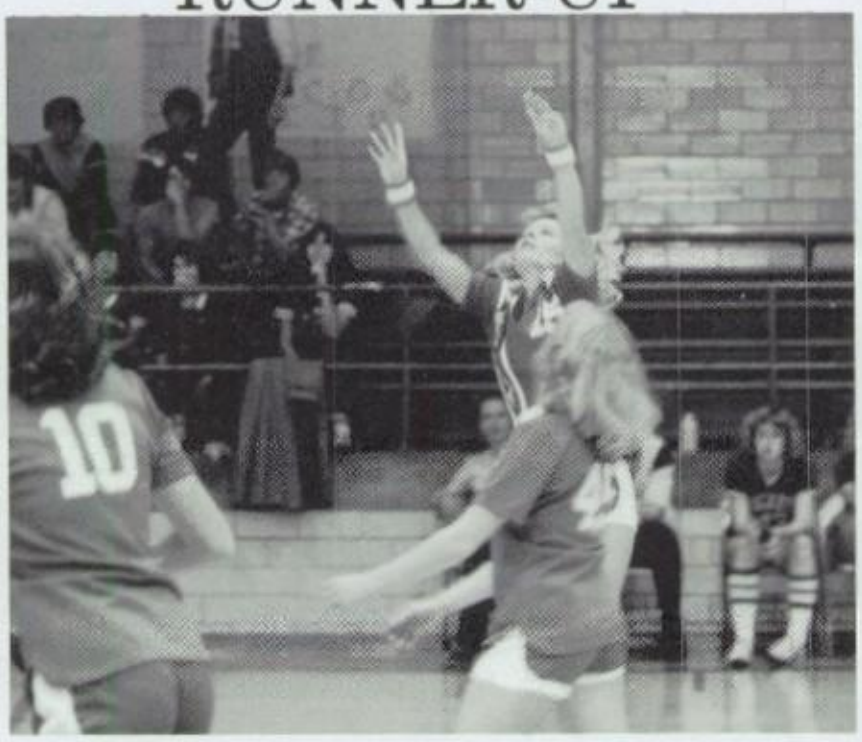
I.C.L. CHAMPS, SECTIONAL CHAMPS, DISTRICT RUNNER-UP

Bump,



Set,

Spike!

This year's Clipper varsity volleyball team met with success. Ending the season with a 16 -4 overall record, the team had some very memorable moments. Topping the list was being District Runner-up as well as Sectional Champs and I.C.L. Co-Champs.

There were "enjoyable" wins for the girls—shutting out Western Reserve, defeating AAA power East Liverpool and beating Lowellsville for a share in the league title are a few.

Post season honors went to the following: Missy Dzurenko, 1st team I.C.L. and County; Cindie Richardson, 1st team I.C.L. and County; Kathy Weyman, 2nd team I.C.L.; Jane Kimpel, 2nd team County, Honorable mention I.C.L.; Colleen Powers, Honorable mention I.C.L.

Other varsity members include: Seniors, Gretchen Perkins, Diane Urschler, and Linda Hostetter; Juniors, Kathy Weyman, Valerie Kampfer, and Leanne Wilms. The team was coached by Connie Ward.

The volleyball team worked hard and their determination paid off enabling them to have a winning season. Of course, the team had super support from the student body which made the year even better.

Coach Ward directs from the bench.

Waiting patiently.

The Freshmen basketball team concluded the 1980-81 season with a 4-9 record. Under the direction of Coach Berryman it was a season to learn the basic techniques and skill that will prepare them for reserve and varsity basketball.

Although the freshmen had some close games, they never lost their confidence and pride.

The starting five were Jerry Longbottom, Kevin Burbick, Rick Simpson, Tom Bell, and Loren Yoder. Longbottom was the leading scorer on the team with 125. Rick Simpson was the leading rebounder.

The other members of the team include: Creighton Hoover, Rodney McMurray, Mark Sloan, Doug Green, Jack Guy, Richard Schwartz, Tom Harrold, and Scott McCullough.

With Coach Mike Barnes shuffling players in and out, and with several players dividing their time between varsity and reserve, the team surprised many people during the year.

Junior members of the squad include: Rick Ross, leading scorer; Chris Sposato, Phill McIntosh, and Scott Barnes. Sophomore players were Dale Manners, leading rebounder, Kurt Kyle, Bill Peoples, Dan Briceland, Jeff Burbick, Rusty Lalonde, Todd Sheldon, Dave Huff, and Paul Miner.

The reserve unit opened with 6 straight victories before losing their initial I.C.L. contest. The entire year was a pleasant surprise to Clipper basketball fans, and the future basketball program looks promising.

CLIPPER BASKETBALL ON THE RISE

The Clipper basketball team earned itself a 9-12 record this year, despite being outsized by every opponent on the schedule. Size wasn't the only problem as the team had to deal with sickness and injuries throughout the year. A 7-7 record in Inter-County Leage play, good for fifth place, was an improvement over the previous year.

Fifth- year head coach, Jim Meissner used a variety of presses, offenses, and defenses in an attempt to shut off the opposition. Four seniors ended their roundball careers at C.H.S. this season. They include Scott Knox, the leading scorer on the team, Rick Berdine, leading rebounder, Lamar Yoder, 2-year letter winner and Tom Oliver, 2-year letter winner. The program will certainly miss these four people, along with senior statisticians, Debbie Costanzo, head stat; Colleen Powers, and Jane Kimpel.

Other members of the team include Tim Evankovich, Scott Belding, Brian Baker, Chris Sposato, Rick Ross, Phil McIntosh, Scott Barnes, and Dale Manners.

The most memorable game of the season was played at Western Reserve. Trailing by a single point, Belding inbounded the ball to Knox who threw a half-court pass to the far corner. Berdine received the pass and put up a desperation shot, banking it in for an apparent victory. After discussing the issue, the officials decided the bucket was no good awarding the win to the Blue Devils.

Another heartbreaking moment came in the final regular season game of the year at South Range. Behind by two points, the Clips, minus Tim Evankovich, brought the ball down court.

KNOX SETS ALL TIME SCORING RECORD AT 924

After passing it around, Scott Knox put up an 18-foot jumper to knot the score at 47 with time expired. In the ensuing overtime period, the two teams played nip and tuck. Columbiana had a final chance to take the game but three Clipper shots fell by the wayside, and the Raiders emerged victorious.

Knox received the Most Valuable Player Award at the banquet following the season, and Berdine was accorded the Rebounding Award. Two juniors, Tim Evankovich and Brian Baker won the Defensive Player and Most Improved honors, respectively.

Added to the MVP, Knox was selected Player of the year in Columbiana County, first team ICL, Northeastern Ohio, **Salem News** and **Ledger** all area teams, and special mention All-State. He participated in the Mahoning Valley Coach's Association All-Star game and the ICL All-Star game.

Berdine received second team honors in Columbiana County, the ICL, and the **Ledger.** He was an honorable mention selection on the **Salem News** all area team and participated in the ICL All-Star game.

Tim Evankovich was named honorable mention ICL and second team **Ledger** all area and Columbiana County.

Although the team was 9-12, winning records will return to Columbiana very soon. With a very few breaks here and there, this team could have started the tradition in 1980-81. Clipper basketball is on the rise.

The 1980-81 Girls' Varsity Basketball team under the direction of new Head Coach, Ken Myers, finished its season with a record of 8-11.

In Inter-County League action the team posted a 8-6 mark. The lady roundballers were eliminated from the first round of the Class A Sectional Tournament by Crestview 33-32.

Coach Myers will be losing six lettermen which include: Seniors Chris Beiling (1-year varsity), Linda Hostetter (3-year varsity), Kathy Howerton (3-year varsity, senior tri-captain), Pam Ossoff (4-year varsity, senior tri-captain), Jane Kimpel (3-year varsity) and foreign exchange student Nela Ulate (1-year varsity, senior tri-captain). Adding greatly to this year's squad were underclassmen.—Junior, Monica Dzurenko and freshman, Kelly Wilson.

Pam Ossoff suffered a shoulder injury and Robin Howerton suffered a knee injury early in the season. Since the varsity and reserve teams were plagued with injuries, the reserve schedule, was cancelled except for 5 games. Reserve Coach, Michelle Kendall, combined the reserves with the varsity.

Next year's team will depend on returning varsity letter winners Dzurenko and wilson and reserve letter winners, sophomore, Amy Miller; and freshmen Amy Angel, Sally Boston, and Lisa Ziegler.

BOY'S VARSITY TRACK

The boys' track team had a successful season with the exception of one conflict. That conflict was if the baseball team made it to districts, two members of the 400-meter relay team were devoted to play baseball. Unfortunately the situation did occur. Scott Knox and Scott Belding qualified for the both the district track meet and the district baseball tournment. Even though the decision was a tough one, both boys were dedicated to play baseball.

The relay team which consisted of Barry Garrod, Scott Belding, Bruce Mellot, and Scott Knox broke the sectional record for the third year in a row of 45.5. The record now stands at 44.8. The 400-meter relay team also broke the I.C.L. record of 46.2 by running a 45.4.

Barry Garrod ran the 200-meter dash at districts. He placed 5th in the 200-meter dash at sectionals.

Bruce VanArsdale missed going to districts by one place He placed 5th in the high hurdles at sectionals.

Colleen leads the way in the 1600-meter relay.

Katrena hands off to Jane in the 400-meter relay.

The girls' track team was under the direction of new track coach, Cindy Ready. Cindy is a former graduate of Crestview High School. She is a fulltime teacher at South Side Middle School taking over for Mrs. Prest.

The team consisted of four seniors: Katrena Skaggs, Jane Kimpel, Colleen Powers, and Kathy Howerton; three juniors: Valerie Kampfer, Pam Bosley, and Missy Dzuerenko; and five sophomores: Amy Kauffman, Cynthia Sposato, Lisa Chamberlain, Brenda Zembower. and Cheryl Hoffmaster.

The girls' team was plagued by injuries and illnesses. They didn't get as far as they have in the past, but personal goals were met.

The 800-meter relay team was the only relay team to make it to district. The team was second at sectionals. The team consisted of Valerie Kampfer, Pam Bosley, Katrena Skaggs, and Jane Kimpel. Due to an injury to Valerie, the 880-meter relay team at district was made up of Pam Bosley, LeAnn Wilms, Katrena Skaggs, Jane Kimpel, and alternate, Colleen Powers.

The senior track members wish the underclass members the best of luck in the years to come.

CHEERLEADERS WORK HARD

Hardwork, enthusiasm and dedication described this year's cheerleading squads. Althoughthe reserve and varsity cheerleaders didn't attend summer camp, they had a very successful year under the supervision of their new advisor Mrs. Cusick.

To help pay for new pom poms and uniforms, they girls engaged in many projects, such as selling pom poms, spirit buttons, homecoming corsages and boutonnieres working at the American Legion tent, holding a cheerleading clinic, and working at the school fair.

Under the direction fo the varsity squad, the cheerleaders worked extra hard to promote more school spirit at the pep rallies. All in all the season for them was memorable, exciting, and most of all, rewarding.

BAND DIRECTOR

The band began practicing early in August for the 1980 football games. They attended no band camp; instead they met at SouthSide Middle School twice a day, five days a week. A new director, Mr. Hargreaves, was given control of the 28 piece band with 8 people composing the front line. September rolled around finding the band well prepared for the football games and special events such as the Street Fair Parade, Johnny Appleseed Parade, Leetonia band night and two Christmas Parades. When the marching season came to a close, a switching of instruments brought in the 1981 concert band. On Friday, March 20, the band received a much-earned excellent rating at contest. Then, as the April showers ceased, they began memorizing marching music once again for two special performances: Geauga Lake and the Memorial Day parade. The year ended with a banquet held at South Side Middle School.

The cast of **Where's Charlie?**

The exchange student was one of the main characters.

Lance Powers displays his acting ability.

Tryouts for the 1981 high school play were held of March 13. From that time forward the cast and committee members worked many long hours to produce a successful production of **Where's Charley?** The principle cast members included: Phil McIntosh and Steve Belding as two Oxford boys; Mary Ann Lamoncha and Amy Boston as their girlfriends; Lamar Yoder as the butler; Tom Smith as one of the boys' fathers; Lance Powers as the girls' father and guardian; Margie Sullivan as the chaperone; John Reel as a photographer; Jack Hoey as a drama teacher, and Diane Campbell and Dale Manners as two Oxford students. In addition to the cast members, a large number of other people were keys to the success of the performance.

The plays setting was in England. The plot revolved around two Oxford students. Because of a planned date with two girls and a lack of a chaperone, one of the boys is forced to play his aunt while trying to win the heart of hid dXhis date. All in all, the result is hilarious and interesting confusion.

Everyone involved in the musical was rewarded in some way. Electricity could be felt all around the stage before and during the production. It's sad to see an empty stage at the end of the year, but next year the spark of drama and music will once again be ignited.

The guardian (Lance) makes Charlie's aunt blush.

On March 6, some of the girls attended Trumbull County JVS for regional competitions. Receiving trophies were Debbie Costanzo, third place, Interview II and Diane Campbell, sixth place, Typing and Related II.

IN THE BEGINNING

Columbiana High School in 1881

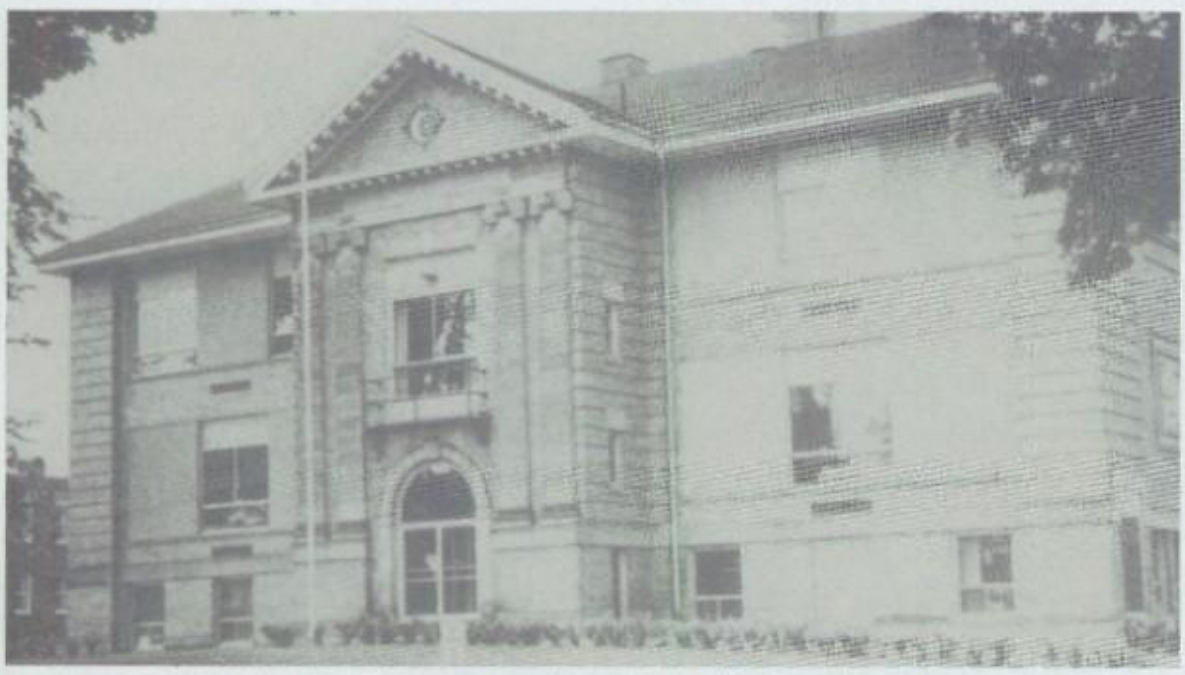
In 1805, Joshua Dixon, his wife, and eleven children settled in Columbiana. A "School and Meeting House Society" was formed in 1814 to build a school and church on the corner of Main and Pittsburgh Street. The schoolmaster at that time was paid $1.50 for 3 months' education for each student. Money was raised and a new church was built instead of a school. A school on Elm and Main Street was made possible in 1852 through school funds by direct taxation. In 1846, the school was replaced by a one-story brick building with two rooms. By 1860, the school was too small. In 1861, a pretentious brick school was built on Pittsburgh and Elm Streets. The building was two stories and two rooms on each floor.

By 1873, the building was already too small so they built one on Vine Street. They sold this property and added an addition to the old school.

A new addition is being built on the public school.

'1881'

1881-1981



Columbiana High School 1981.

1881

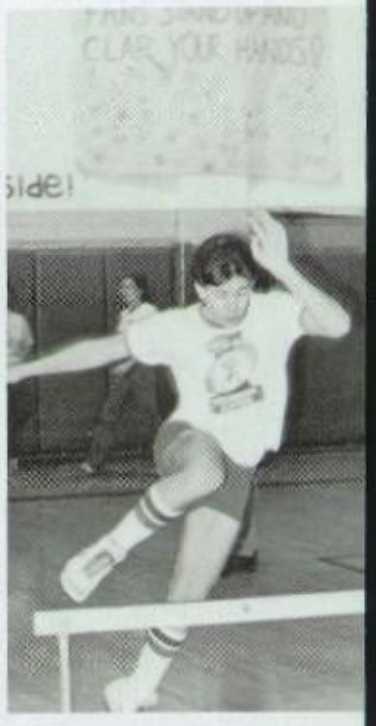
In 1881 the first commencement of the Columbiana High School was held. Two students, graduated which began a line of proud Columbiana High School Alumni. Estella Jamison and Charles Esterly received their diplomas from principal George McGinnis

As you can see, our school has grown since that time. In 1881 the high school employed six teachers and a principal. Now our faculty numbers 21, not including custodians, counselors, and administration. The first graduating class consisted of only two people, but the class of 1981 has 98 members. To accommodate the students, the school building has grown from five rooms to three floors.

Columbiana High School was not on the accredited list of high schools in the State of Ohio in 1881. Today this school is fully accredited and almost half of Columbiana's graduates continue in higher education.

As the 100th class to graduate from Columbiana High School, we look back to the past as well as ahead to the future. Our school has grown and improved, and we expect it to continue to do so.

SENIOR LIFE



SOMEHOW I HATE TO SAY GOODBYE

The day is finally here
That we've been waiting for so long
The time is drawing near
When we'll be out there on our own

I can't believe this moment
Has finally come our way
I don't know where the time went
Now I don't know what to say

I feel so much emotion
Swelling up within my heart
I fight to calm the tension
As I rise to share my part

There's something deep inside me
Like a thorn, it pricks my heart
There's so much I want you to see
I don't know where to start

There's so much that I'd like to say
But now our time is spent
Before we go our separate ways
Could I tell you what I meant?

I meant to tell you "Thank you"
For each day we've spent together
I wanted to take the time to
Make our friendship last forever

My heart beats now from silent fear
Somehow I hate to say Goodbye
If only you could wipe the tears
That fall now from my eyes

I didn't want to cry today . . .
Somehow I knew I would
I don't want you to slip away
But in time I know you could

If I don't take the time to care
And to say I'll keep in touch
It's just like saying all lwe've shared
Didn't mean that very much

But you have meant so much to me
The times we've shared are special
They've blossomed into a memory
For which I'm very grateful

I'm thankful for the good times
That we've shared along the way
And that even through the bad times
You were my friend anyway.

Because your friendship isn't something
That is based on human love
Your friendship is a blessing
That was birthed from God above

You're someone who can understand
If I've had a rotten day
And you always do what all you can
To make my sorrows melt away

You're not someone who's nice to me
Just when I'm around
You don't see your popularity
As reason enough to put me down

And if I ever hurt you
I hope you'll understand
I never really meant to
Because you are my friend

Now as time goes on before you
And we go our separate ways
Please don't forget the friends who
Shared all those yesterdays.

For yesterdays are important
Because they've made you who you are
So don't forget each special friend
Or let their memory slip too far

And as you look back on today
And all the days before
Remember those along the way . . .
Reach out to them once more

Then you might know the meaning
Of these tears that I now cry
And understand my reasoning
Somehow, I hate to say Goodbye . . .

As read on Class Day, May 26, 1981 by Jane Kimpel. Written by Beth Kimpel.

1981 CLASS HISTORY

As freshmen, we started high school life just as every other freshmen class does, confused, bewildered and mystified. As usual, the freshmen girls found the senior guys very interesting while the freshmen guys had their minds on other things such as cars and sports. Under the leadership of Chris Beiling, we started raising money for our prom. Our first year at CHS was soon over.

When we returned to CHS as sophomores, we were no longer the object of teasing from the upperclassmen. Under the leadership of Gretchen Perkins, who would be our president for the next three years, we ordered our class rings. We were the first class to order rings early. As sophomores, we struggled through biology, geometry, drivers ed, and the homecoming tornado. Soon school was out. We were now considered upperclassmen.

Our junior year, our busiest, was filled with many money-making projects. We sold fire extinguishers, candy, and we had a concession stand at various events. Finally, on May 9, "Sayonara" came to life. All the long hours and hard work had paid off. The graduation of the Class of '80 brought our junior year to a close. Soon we would bear the title of "seniors".

The time we had all been waiting for was here. We were officially "seniors." As we entered the halls of CHS, we were greeted by a few new faces, three exchange students, two teachers, and a woman principal.

September started off with tri-captains Rick Berdine, Scott Knox and Tim Sheerer leading the football team to a 3-7 record. Senior cheerleaders helped to keep school spirit going. Homecoming soon approached. Gretchen Perkins was crowned queen and Jo Ann Kauffman and Amie Lower were crowned attendents.

While many seniors were involved with football, the Class of '81 had three seniors on the cross-country team and one senior girl on the golf team. Pam Ossoff, the second girl ever to play golf, made a trip to Columbus with the rest of the golf team where they placed 6th.

The volleyball team had an impressive season. The team, led under captain Colleen Powers and six seniors were district runners up.

The wrestling season brought many honors with it. Two girls were wrestling hostesses and four seniors wrestled. Bruce Yoor, sectional and district champ placed third at the state meet.

The winter months brought in basketball season. The girls' basketball team produced an 8-11 record. Tri-captains were Nela Ulate, Pam Ossoff, and Kathy Howerton. The boys' basketball team led under tri-captains Lamar Yoder, Rick Berdine and Scott Knox, had an overall record of 9-11.

On February 13, Liz Harris was crowned homecoming queen for basketball. Her attendants were Beth Armstrong and Jane Kimpel.

For the first time, and "Anything Goes" contest was held. The senior team took second place honors. Spring was soon here. This meant that track season and baseball would soon be under way. Senioritis would soon be setting in. Many seniors made up the boys' and girls' track team. Because of injuries and conflicts with baseball, neither teams qualified for the state meet.

At the end of April a musical was held starring Amy Boston and Mary ann Lamoncha. Five seniors also became members of the National Honor Society.

May-our busiest month brought with it the junior-senior prom, class day, awards day, a trip to Cedar Point, the yearbook deadline, final exams and a trip to Columbus for the baseball team. Graduation was a special event this year because we were the 100th class to graduate from CHS. On May 31 at 2 p.m. commencement was held. Dan Frost and Chris Beiling were Co-valedictorians, and Pam Ossoff was Salutatorian.

As graduation came to a close, we suddenly realized that this was the last time the class of '81 would be together. All we had left were the memories of "The Best of Times".

CLASS SONG-Yesterday

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh I believe in Yesterday.

Suddenly, I'm not half the man I used to be,
There's a shadow hanging over me
Oh yesterday came suddenly.

Why she had to go I don't know she wouldn't say
I said something wrong, now I long for yesterday.

Yesterday, love was such an easy game to play
Now I need a place to hide away,
Oh I believe in Yesterday.
I believe in Yesterday.

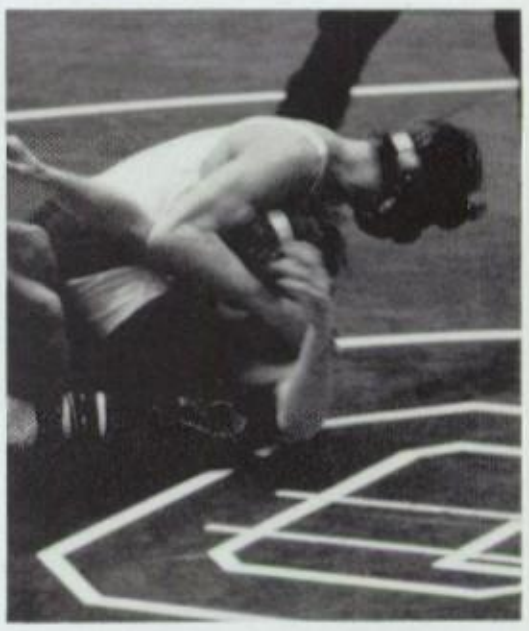
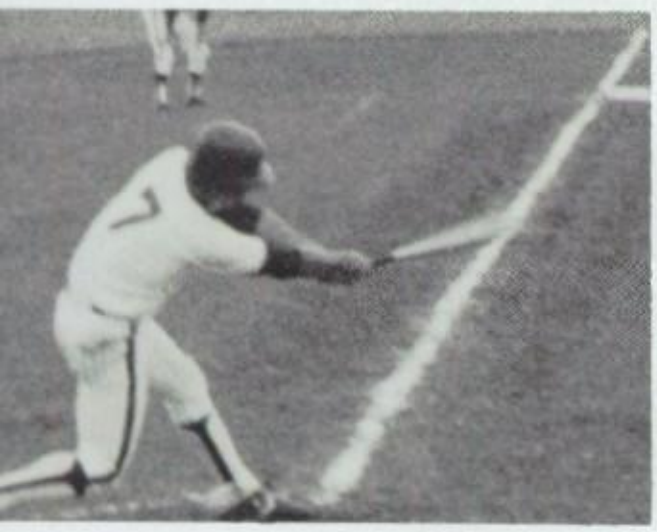
STATE CONTENDERS





The 1981 school year was filled with many great athletic accomplishments. We were proud to have our golf team participate in the state meet at Columbus on the Scarlet Course. Pam Ossoff, Mike Wright, Mike Bogdan, Mike Ross, and Rick Ross came back with an impressive sixth place.

For the third straight year, Bruce Yoor made the trip to the State Wrestling Tournament. He returned with an outstanding fourth place finish.

The school year came to an exciting end for the seniors when the Clipper baseball team won their way to the state championship at Columbus. With the backing of Clipper baseball week, proclaimed by the mayor and two hundred Clipper fans cheering them on at Columbus, the team put on a terrific effort but were defeated 0-4.

It is definitely an honor for our school to be represented by these fine athletes. We are all proud of them.

REMEMBER WHEN. . .

BEST OF TIMES

This is it, the final year;
The Class of '81.
Would you take a risk,
and tie back the hands of time;
here at Columbiana High?

As we take our seats
in the summer heat,
our spirits are high.
We've actually done it.
We're finally getting out of here.
Are you as ready as I?

I know you feel
these might be the best of times.
I have the same feelings too.
We're going to shut out the past
and move ahead.
But did you ever think that
this is the end of our lives?
Do you realize that
while the world keeps moving on,
we'll only have the memories.

The Best of Times
are when we think of our friends.
All of the years we've been together
through and through.

All memories of yesterday
will last a life time.
We'll take the step,
and forget the past,
and some day we'll realize that
these are the Best of Times.

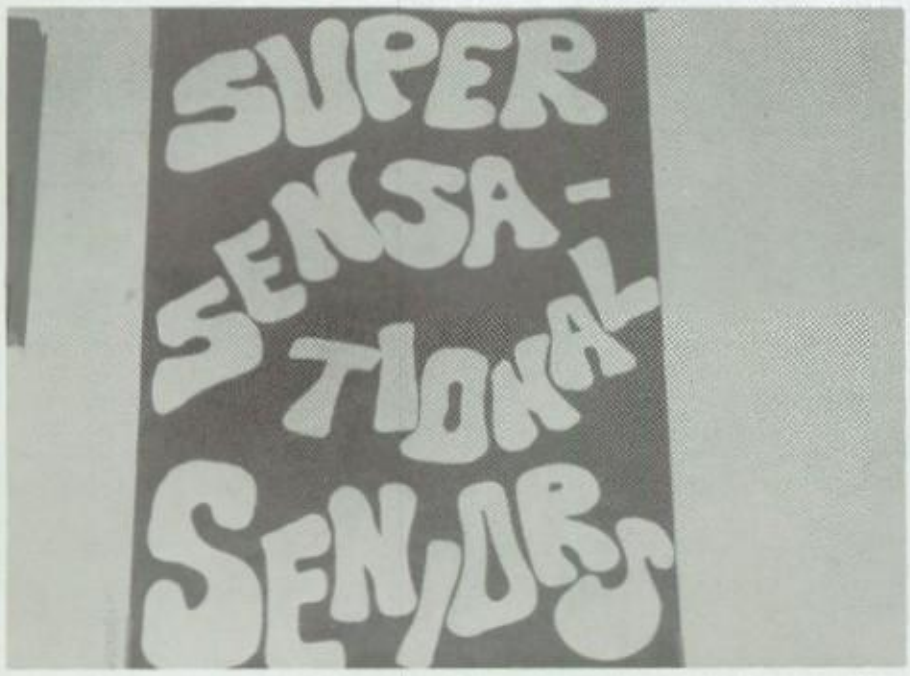
The newspapers say
these are the worst of times.
The pope was shot yesterday.
Out there in this world of hate.
It makes me wish the winter winds
would bring back the old times.
And then I know,
if the memories were to turn alive,
I would definitely go back to them.
We had some great times!

The Best of Times
were spent right here this year.
Fun times, rowdie times;
All the parties and games we went to.

And so my friends
we'll say good-bye.
There's no way to turn back now,
Time has led us here.
Let's make the best of what we have:
The Memories of Columbiana High.

Debbie Costanzo

THESE WERE THE BEST OF TIMES



Remember the times when
we were young
All the laughter, all the
fun.
Just you and me, what a
team,
Life back then seemed like
a dream.
The tears we wept, the
fights we knew;
Times like these were there
but few.

Now looking back at all we
had,
makes the future seem so
sad.
But there comes a time
When our dreams must
end,
A time to say good-bye my
friend.
